Revelation 3 | Letters to the Church – part 2

<b>Reveiation 3</b>   Letters to the Church – part 2	
Warm up:	NOTES:
Write down some of your concerns for churches you know well (please don't name them). How have you reacted to these problems? What difference does it make that Jesus walks "among the lampstands" (1:13)?	
Optional: Write down some of the key characteristics of a church you know that could be considered alive and thriving? What would you consider the markers of life, growth, and obedience?	
Group Discussion:	 
#1. Do you struggle with believing or walking out the biblical truth that God created you to do great things for Him (Ephesians 2:10)?	
<ul><li>If so, why?</li><li>If you don't struggle, what has God called you to?</li></ul>	
#2. Pastor Epi mentioned the concept of wearing masks. What was a mask (or two) that you felt like you needed to wear in church and why?	 
#3. Jesus stated that he knew of the state of the church (patient, enduring hard working, etc.) even though they were flawed, and some were in disobedience. How do you think Jesus would describe the state of your relationship with Him?	
#4. In what sense might God call you "lukewarm?"	 
#5. What is a key takeaway for you from chapter 3?	
Questions to ask Epi:
