REVELATION

Revelation 4-5 Worthy is the Lamb	
Warm up:	NOTES:
What do you hope Heaven will be like? Who do you nope to see? What do you hope you get to do? What is something you hope you won't have to do in Heaven?	
Group Discussion:	
#1. Instead of trying to decode every part of the throne room of God (Revelation 4), try to imagine what can be seen and heard. What are some of your initial impressions of God's glory as pictured here?	
#2. How does the emphasis of God sitting on His throne	
impact your current season in life?	
#3. What came to mind as Pastor Epi discussed the theory of the Cosmic Car Wash?	
#4. Worship is not an action but a reaction, a response evoked by a vision of God's glory. If we have difficulty worshipping God, what might we need to do?	
#5. If Jesus were to sound the trumpet and bring you	
home tonight, how would you feel (excited, sad, anxious)? Why?	
#6. What is one take away you have from this lesson?	
Questions to ask Epi:
