REVELATION

Revelation 6 The Seven Seals	
Warm up:	NOTES:
After learning about the scene in Heaven last week, did it come to mind as you worshipped this past weekend? If so, how did it impact your time of worship?	
Group Discussion:	
#1. Main takeaway from this lesson?	
#2. What is significant about the word, "given" or "granted" in Revelation 6:2, 4, 8? In what ways have you had to wrestle with God's allowing of evil? How are you able to work through that in a healthy way?	
#3. Where is the hope in this chapter?	
#4. Unbelievers will want to hide from the Lamb. How do people hide from Jesus today?	
#5. Are there areas of your life that tempt you to want to run from God in fear rather than run to Him in faith?	
Application:	
What are we to do with all this information? Why do you suppose God gave us this section of Scripture? How can this prompt you to get on with your responsibilities until He returns?
