REVELATION

Revelation 7-8 | Grace Within Judgement

Warm up:

What came to your imagination when we were told that every nation, tongue, and tribe will be standing before the throne?

Group Discussion:

- #1. Main takeaway from this lesson?
- #2. Who is one person in your life (names and details not required) you pray will be saved?
- #3. What came to mind, knowing that Jesus will care and wipe away every tear?
- #4. What do you think the 30-minute silent pause was used for?
- #5. Why do you think people will still curse God through the judgements?

Application:

What are we to do with all this information? Why do you suppose God gave us this section of Scripture? How can this prompt you to get on with your responsibilities until He returns?
