- #1. As we discussed chapter 9, if we are able to witness and see the events happen on Earth from Heaven, can you imagine how you will feel/think for the people who have to experience the seals and trumpet judgements? Does this differ how you view and interact with unbelievers today?
- #2. What is one take away from the lesson this week?
- #3. Do you agree that there is power when you pray? If not, why? If so, how do you use that power in your life and the lives of those around you?
- #4. How do you respond to pain? Share how God has used the pain to reveal and change your heart.
- #5. How do you feel about the people's response in Revelation 9:20-21?
