Revelation 11 | The Two Witnesses

	NOTES:	
Group Discussion: Describe when you were wrong about something and how you felt when someone opposed your view. What was your experience when you accepted that you were wrong?		
#1. What was your main takeaway from the lesson?		
#2. Were you able to identify any idols in your heart during the test?		
#3. What was/is it like to converse with a hard-headed, prideful, stubborn person?		
#4. What did it take for you to out your faith in Jesus? (sermon, crises, relationship, miracle, etc.)		
#5. It would seem that the two witnesses' ministry wasn't well received by many, nor was it a massive success (in the world's eyes). What does that tell you about any possible fears of being rejected for sharing the Gospel with others?
